I will take positive action to ensure my own and others' safety while participating. I understand that the organisers accept no liability in regard to any injury or damage that may arise in the course of any Great Walk event. How to find the camps ...

Look for painted metal signs we leave out, close to camp, usually at important intersections. These may read "Great Walk" or "GWN".

If these lead you to a long bush track, also look out for red cloth tags. These are the same ones we use to mark our walk routes, but sometimes we use them to indicate the way into camp, too. Three (3) tags next to each other indicate a turn-off for both vehicles and/or walkers.
